

As **more** states legalize marijuana,

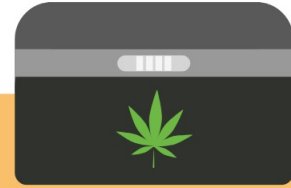

Recreational Medical

The number of calls to poison centers about children getting into marijuana edibles has **gone up.**

Keep children in your home safer by storing marijuana edibles **locked up, away, and out of sight.**

When it comes to marijuana edibles, children's bodies react differently than adults.

Become familiar with the signs and symptoms of marijuana consumption in children.

Sleepiness or confusion

Seizures or unsteadiness

Difficulty breathing

Vomiting
