

**Enjoy the outdoors this summer and remember...**

Insect Repellent Tips

- Do NOT apply onto a child's hand, eyes, mouth or cut/irritated skin.
- Spray repellent into your hands, then apply to child's face.
- Avoid combination sunscreen/insect repellent products.
- DEET should not be used on children younger than 2 months old.

Call from anywhere in the United States  
to reach your local poison center:

**1-800-222-1222**

Is the water safe?

- Avoid contact with water that is discolored or has scum or film floating on its surface.
- Do not fish at lakes that are discolored or scum is present.
- Never drink untreated water from lakes, streams or rivers.
- Do not let pets drink from or swim in water with scum or film floating on the surface.
